Hi ,

This is a reminder we will be turning on the community tile in your company app starting November 1st. This will allow employees to like, comment, and share posts from the community tile. Please reach out to your dedicated Client Success Manager or email [\[email protected\]](#) as soon as possible if you would like to opt-out or have any questions.

A few other updates:

### **NPS Survey**

Please take a few minutes to fill out the following [NPS survey](#) before October 31st. Your response will be critical to identifying areas of the app experience we need to improve to make the best employee experience app. Thank you in advance!
