Open Enrollment Prep

Take a look at the below tips to make Open Enrollment a smooth success:

- 1. Start planning early** - Begin organizing your communications & OE plan now
- 2. Simplify the process** - Centralize benefits information, enrollment, and extra materials into one location
- 3. Set clear deadlines early** - Ensure employees know the deadline and when they need to get everything completed by

Product Updates:

Employer Portal:

reporting image

Our updated employer portal allows for easy updates to the user roster, changes to the app layout, more robust reporting, and access to enhanced in-app communication. Contact your CSM to learn more!

Community Tile:

Say hello to the center of company communication! Connect and recognize coworkers, stay up-to-date on company topics, provide feedback, and much more! Think of it as a social feed for your company, in the app.

Watch [this video](#) to learn more and contact your CSM to make it live!

STRIVE Hot Tip

Screenshot Images - 2022-07-11T170857.864

When was the last time you received feedback from your employees? Easily send a survey from the message hub in the new portal. Compatible with any survey platform and can even be segmented to send to specific groups of employees! Visit our [resources page](#) for step-by-step on sending messages

As always, thank you for being a valuable user of the app!

-The STRIVE Team
