

# STRIVE - THE EMPLOYEE APP

Reimagine the Employee Experience -  
One Individual at a Time

Hi ,

We hope you are enjoying the updated app experience that launched last month! If you are unaware of all the exciting updates that were part of that launch, reach out to your CSM who can show you the updated experience and how to maximize the new solution. Here are some other updates happening at STRIVE:

## Challenges/Global Raffle

Continue completing challenges in the app for your chance to win in our monthly global raffle! Challenges can be found under the Evolve tab in the solution. Go check out your open challenges and start earning your points!

## NPS Survey

We pride ourselves in delivering a great user experience and are always looking for ways to improve. Please take a minute to fill out the following [survey](#). Your response will be critical to identifying areas we can improve to make the best employee experience solution. Thank you in advance!

## STRIVE Hot Tip

Did you know that we integrate with learning & wellness tools? Whether you're using a productivity app, a meditation app, or any other tool that helps you grow and take care of yourself, our integrations will make your experience smoother

and more personalized. You can also provide us with your preferred providers, and we'll create an integration specifically for you!
